1. Attached is a copy of Report No. B-388-80 from ID, BDOCK (through 88th CIC Det.), as well as a copy of our dissemination 80-88888. Not only is the information contained in these two reports essentially the same, but it is clear that they are based on the same original. This report, 888-8888, included copies of the correspondence between Hansen and Bels and an Aktennotiz of SDP Headquarters.

2. [] thinks this is another example of the chief of CAMLET's Eastern Section passing information to CIC.

3. Is it not possible to avoid this type of duplication?
